Switching this over to my EPA email.

Can discuss at your convenience Donna – I'm on calls for a bit but might have some time in between or after 5:30.

**Subject:** Looking for a comment about this charge from an EPA attorney

Nicole Cantello, an attorney at the Environmental Protection Agency's Chicago office, said that agency leaders "tried to destroy EPA's scientific workforce" by using Trump's EOs to keep them from executing the mission. She added that only AFGE's legal actions kept employees from being forced back "into unsafe offices" during the pandemic.
